

## **REMARKS**

Claims 1-30 are pending in the application.

A Notice of Appeal was filed on July 17, 2008. Pursuant to 37 C.F.R. §1.116(b)(2) Applicants respectfully request entry of the amendment presenting rejected Claim 24 in better form for consideration on appeal as contained herein.

It is respectfully submitted that Claim 24 as originally filed contained an obvious error in that the claim recited a receiving device for a wireless communication system comprising “a transmission device including;”. The remainder of the claim, as well as related Claim 26, clearly relates to a receiving device and the inclusion of “a transmission device including;” was due to a typographical error.

On August 7, 2008, Applicants’ representative conducted a telephonic Interview with the Examiner during which the Examiner agreed that the amendment is appropriate and should be entered.

Thus, in order to present rejected Claim 24 in better form for consideration on appeal, Applicants respectfully request entry of the amendment contained herein.

Should the Examiner believe that a telephone conference or personal interview would facilitate resolution of any remaining matters, the Examiner may contact Applicants' attorney at the number given below.

Respectfully submitted,
